**Reason for Allowance**

1. The following is an examiner's statement of reasons for allowance: The claimed invention, as defined by, and when read in light, of the specification, is to coatings on a polymeric substrate which has been physically altered in its topography to increase the topographical area/projected area ratio. The physical alteration of such articles are nowhere contemplated nor taught as desirable in the prior art. Articles with porosity differences are known, but do not have the same topography as the physically altered articles as claimed by applicants. The claimed articles are, therefore, both novel and unobvious over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bernard Lipman whose telephone number is 571-272-1105. The examiner can normally be reached on 8-5 Mon-Fri.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on 571-272-1114.
